

THE GOSPEL

in Worship, Discipleship, and Missionality

Purpose of the Teaching Series

The Gospel in Worship, Discipleship, and Missionality

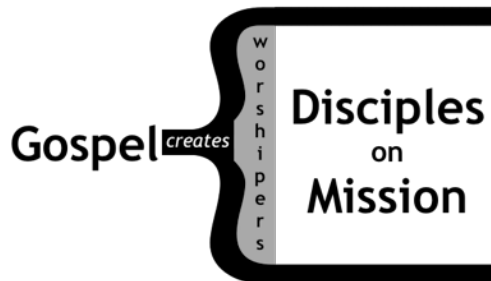

The hearers will

*... know the gospel,
... understand how worship, discipleship, and missionality flow from this gospel clarity,
... and apply this understanding in the context of a church plant;*

*... so that it is the gospel itself that is planted
... rather than the activities of worship, discipleship, and missionality.*

Central Idea :: The gospel transforms enemies of the Creator into worshippers who follow their Redeemer as disciples into His mission of declaring His glory and gospel to all the families of the earth.
